PO Box 243 • Rainelle, WV 25962 • www.rainellereunion.com

Hello Rangers;

Have you made your reservations??? Time is getting short! In just 6 short months, June 30- July 3, you have the opportunity to help fill the hallways and lawn of RHS with Rangers one last time.

We are planning to repeat the same format of our past reunions to allow for lots of free time, pictures, the parade*, the picnic, class functions and music every night in the gym. Plans are also being made for a special program on Thursday, July 1st, immediately following the welcoming ceremonies. Mr. Todd Boggess, President of E. T. Boggess Architect, Inc. has volunteered his time to present a special program to you detailing the architectural designs and landscaping for the new Rainelle Elementary School. You will be surprised to see how our football field will be transformed.

We respectfully ask that you take the time to review the enclosed information and send in your registration ASAP.** Enclosed in this packet you will find:

- RHS Reunion Registration Card – Complete and mail in the enclosed pre-addressed return envelope with your check payable to: RHS Reunion Committee.
- Pre-addressed reunion registration envelope
