# DEDICATION

We the Seniors of Rainelle High School dedicate this Yearbook to our dream of the school as we want it to be when--the building program is finished, and all of the classes will be under the same roof, and no one will have to run from one building to the other--when we have a new auditorium with a separate gym and a seating capacity large enough to fill our needs--when we see our athletic field complete with bleachers, a softball field, provisions for a track, and a fence around the field--along with our field we will have the best band in the state, and all of our organizations will be active--when we shall have a student body which will be known every where for its sportsmanship, its loyalty and its pride in our school.

# CLASS HISTORY

TICK! TICK! TICK!

The bomb has been set in the year of 1945 for 1948, with the chief instigator Dale Poe and his two helpers, Donald Smith, and Joann Bradley. Ninety-six spectators are breathlessly waiting for the outcome of the dynamic episode which must come.

Many of the spectators are becoming disinterested in this dangerous project and are withdrawing, but the remaining 73 are still tense and eager. Under the leadership of president Dale Poe and Vice President "Shake" Slaven, our hopes remain high.

Time marches on and beads of sweat show on the faces of the leaders, Donald Smith, Joe Wilt, and Dale Poe. The remaining 61 on-lookers, who have worked and strained to achieve the goal, are anxiously awaiting the outcome.

Only a few minutes remain now until this electrifying spectacle takes place. The going has been tough and hard and many have been unable to witness the end. We 45 faithful scientists who have remained, feel a thrill of success. With only seconds to go, Joe Wilt, Bennie Black, and Peggy Livesay have trouble controlling the excited crowd who have waited so long for the explosion. Dorothy Gutshall, a well known scientist, tells the exhausted crowd that time is-----NOW-----!

TICK! TICK! TICK! \*\*\*\*\* BOOM \*\*\*\*\*!

Forty-five atoms are scattered in divers places to develop and assist the world in a never-ending struggle for a brighter and happier place to live.

No one knows what these atoms will do to bring about this task, but we know each will play its part and will reach its goal.

Roy Fitzwater - a hard hitting guard who added a lot to the spirit of the squad by his constant good humor and his remarks.

"Bucky" Persinger - Four year letterman. He was an end capable of playing in anyone's football game. A good pass receiver and an all-around team player.

Joe Wilt - He was fast, and displayed plenty of power and nerve. One of the best backs on the team.

"Dutch" Willard - One hundred and seventh five pounds of T.N.T. Two-year man with one more to go. Opponents didn't gain much over "Dutch."

# BASKETBALL

With four veterans of the '47 Greenbrier County Championship Varsity crew returning under the piloting of Coach "Turk" Robinson, who is at Rainelle for his first year, the Rangers have at present won four games and lost six out of an 18 game schedule. Only two of these were conference games.

In the outer court we find such wizards as Roy Fitzwater and "Dutch" Willard as forwards, Wilson at center, and Huffman and Snuffer as guards. Our "shock troops" consist of such strong reserves as Mann, Simpson, Gladwell, Carmichael, and Gentry.

The crew's record is as follows:

			We	They

2nd row, left to right: R. Carron, Al. Lindsey, B. Smith, D. Woollard, S. Roberts, J. Decker.

3rd row, left to right: R. Pack, M. Anager, "Pos" Stroup, Coach, H. Neal.

Missing from the picture are: S. Gilkerson, C. Tuck, J. Martin, D. Sanford.

Recognition should be given to our Jr. High team, who will be our future stars. They are coached by "Pos" Stroup, and have proved to be good. They lost only two out of nine of their football games, and both were two teams who greatly outweighed them. The team was composed of Richard Jones, John Vestal, Kessler, Friar, O'Dell, Wheeling, Surbaugh, Gilkerson, Slaven, Smith, and Pack. At the time this yearbook goes to press the Jr. Basketball Team has won nine out of eleven starts. If Old King Solomon's predictions hold true, the boys will win many more.
