RAINELE
HIGH SCHOOL

A black and white photograph of Rainelle High School at night. The building is constructed of brick and features large, multi-paned windows on the left side. The entrance is visible at the bottom left, with a small porch area. The school's name, "RAINELE HIGH SCHOOL", is prominently displayed in large, raised letters on the brick wall. A tall, thin light pole stands in front of the building. The overall scene is dark, with light coming from the windows and the entrance.

RAINELE
HIGH SCHOOL

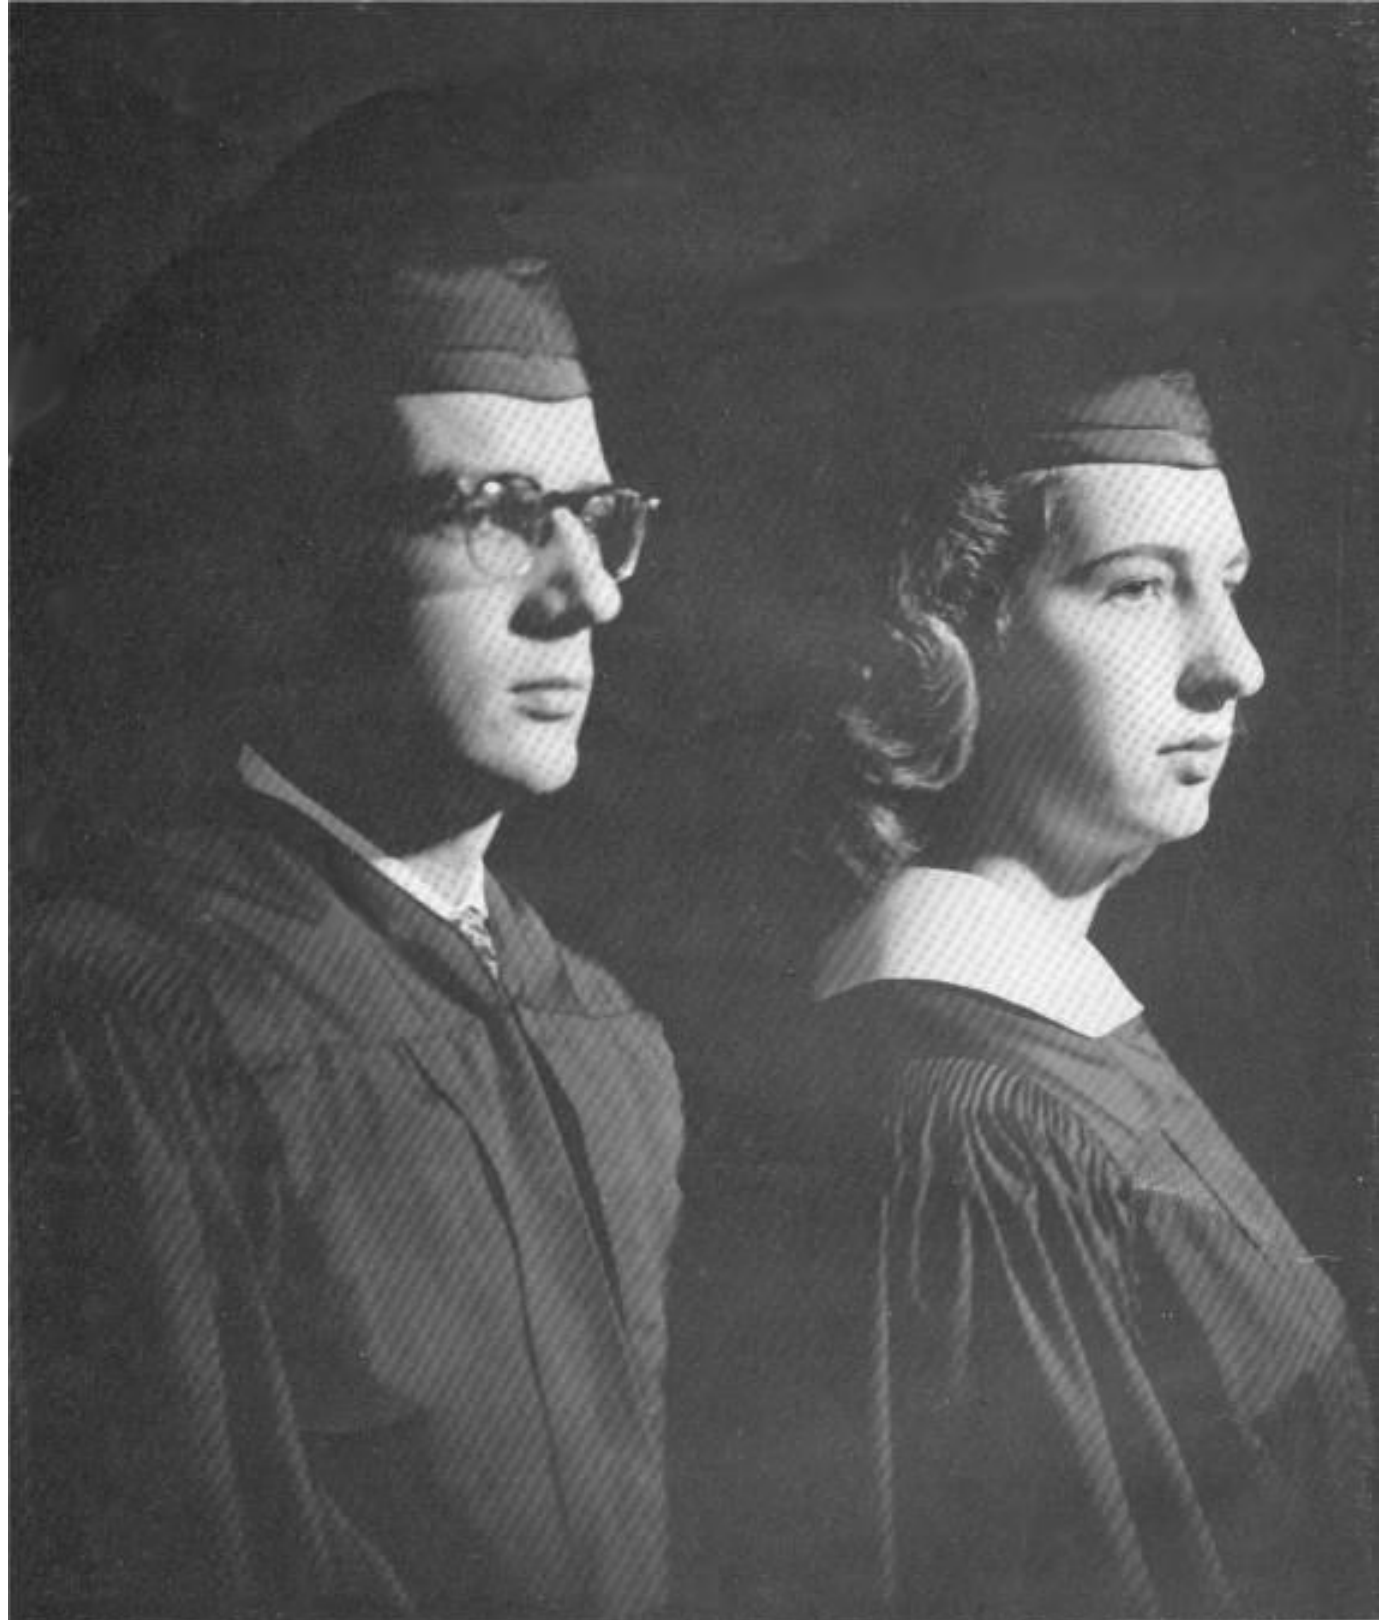

The 1953 Ranger

Dedication

Dedicated: To our parents, who have lovingly guided us through our school years. As on the first day of school they helped us up those many steps, so have they helped us up the steps of our entire school career. In the beginning only fear of this big world of which we had now become an active part reigned over us. Then, as we grew used to this new experience, our problems began to grow also; and we looked to our parents for guidance. Since they were always eager to help us, we placed much of our confidence in them. Their unending devotion and concern for us have given them a place in our hearts which can never be filled by anyone else. Therefore, because they have meant so much to us during the early years of our lives, we are dedicating this, our 1953 RANGER, to our parents, hoping that it will help repay them for the time they have sacrificed and the love they have given us.

ROY COFFMAN

Principal

Deeply admired and respected by everyone is our own principal, Mr. Roy Coffman, the man on whose shoulders the welfare of the students and the management of the school rests. His personal interest in school affairs has given him a prominent place with the students of R.H.S. His constant devotion and concern, his thoughtful supervision and direction and his unending service to all have helped to make our final school years the very best.

STUDENTS GAIN EXPERIENCE THROUGH SERVICE

Looking up schedules, taking phone calls, helping with the filing, delivering messages to the students and just doing any task they can to help you- are some of the most familiar duties known to Lillian Gillespie, Ruby Corron, Billy Lepley, Mary Lou Thompson, Betty Wilt, Madeline Loudermilk, and Diane Johnson of the office staff.

Who's Who

Quiz Kids, Elda Utterback and Denny Hylton, were elected "Most Likely to Succeed."

Sweets for the sweet go to "Jackie" Gladwell and Billy Lepley as the "Friendliest."

You have only to meet "Mickey" Wilt and Curtis Fleshman to know why they were voted the seniors with the "Best Personality."

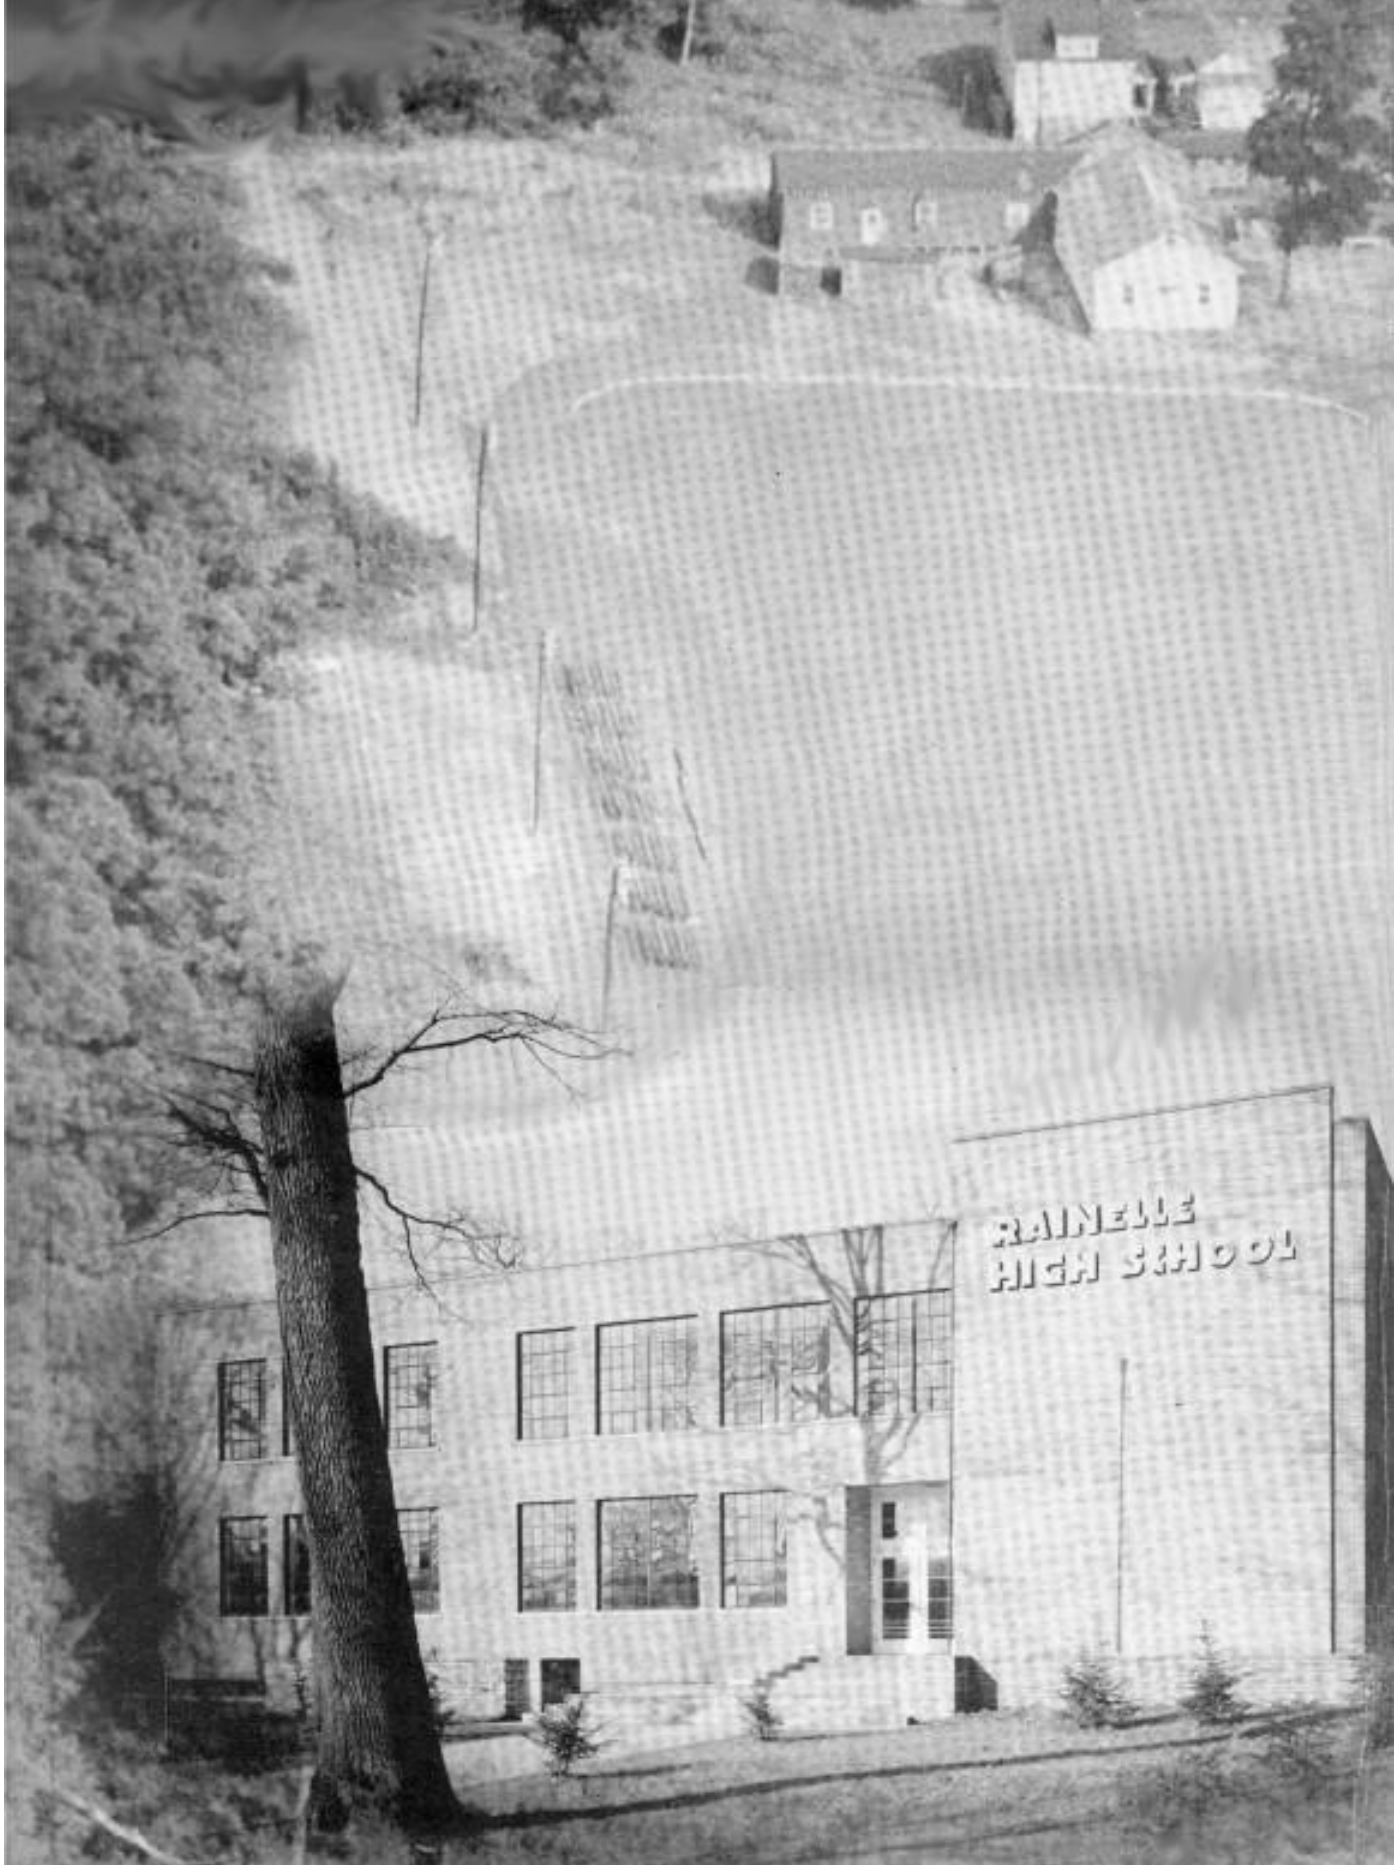

Just a glance will tell you why Peggy Gutshall and W. F. Bower were voted the "Cutest" of the Senior Class.

Looking for more laurels are "Most Athletic" Goldia Moten and Paul Skidmore.

Surely Mary Lepley and Donald Smith don't need tips from T. V. since they were voted the "Ones I'd Like to Date."

RAINELLE
HIGH SCHOOL

Who's Who

Is this the technique that won for Margaret Ann Shuck and Gary Carr the title, "Biggest Flirts?"

Flashing smiles that won for them the title of "Most Popular" are Mary Lepley and Paul Skidmore.

Looking as intelligent as possible under the circumstances are the "Wittiest" seniors, "Patsy" Crusse and David Simpson.

Winning top honors in all fields, "Mickey" Wilt and Billy Lepley were voted "Best All Around."

Too shy to tell why are Patty Chapman and Noah Rickman, the "Most Bashful" seniors.

If actions speak louder than words it is no wonder that Mary Lou Thompson and Denny Hylton were voted "Most Courteous."
