I am the yearbook of 1956-57. I want you to read me for the sweet memories that I enclose. I want you to take a deep breath and say, "Ah, the atmosphere of our ball-games, the music of our band, the voices of our beloved teachers and pupils, the clicking of pencils, and the rustling of our papers"

Yes, here's my invitation to you - Come, open my pages of time, of the past. Relive them and treasure them, for

Foreword .

DAVY L. McCLUNG

There is one among us whose unselfishness has won the hearts of the students and patrons of this community. His friendly attitude, understanding, unwavering loyalty, and his wonderful patience in Drivers' Education will long be remembered. In full appreciation of the many services he has rendered us, we dedicate the "57 Ranger" to Mr. Davy L. McClung.

ADMINISTRATION

A black and white photograph of a man standing in front of a brick building. The man is wearing a suit, tie, and glasses, and has his hands in his pockets. He is standing next to a large bush. The brick wall behind him has the words "HAMILTON HIGH SCHOOL" carved into it in large, stylized letters. A flagpole with a flag is visible to the left of the man. The scene is outdoors, and there are shadows cast on the wall.
