RAINELLE HIGH SCHOOL
Rainelle, West Virginia

Foreword

Here is THE RANGER. We hope that we have depicted the activities of the high school in the proper perspective and with the right emphasis.

Our high school is making a sincere effort to give our students the knowledge that they need in order to build better lives, to make the necessary adjustments, and to have a right sense of values.

Students may face the problems of the present with some fear and trepidation, but young people have ever been ready to accept the call to duty.

So nigh is grandeur to our dust,
So near is God to man,
When Duty whispers low, "Thou must."
The youth replies, "I Can."

Dedication

MISS VIRGINIA WEST

There is one among our number whom we love for her friendliness, her understanding sympathy, her real sincerity, her unwavering loyalty, her willingness to assist as a teacher, advisor, and friend. She has unselfishly given her best to place the class of '58 in front rank of every field. In grateful appreciation of the many services she has rendered us, we dedicate this volume of THE RANGER.

How awfully nice just
to know you. You
are a fine girl and
a good athlete.
