HIGH SCHOOL

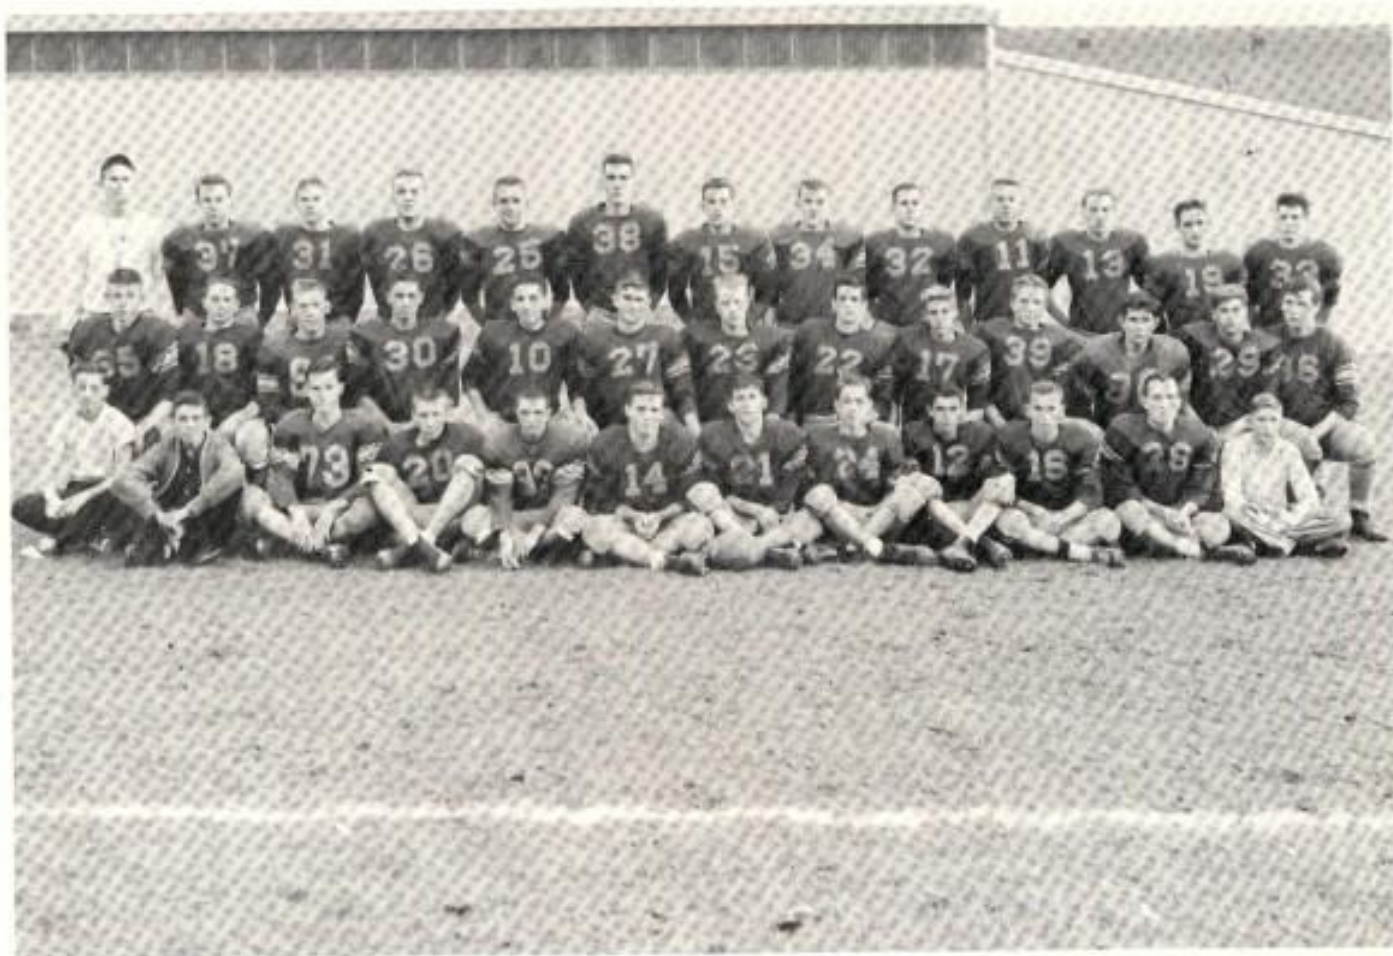

60

## Foreword

In all our lives, time in all it's splendor is ever marching on . . . like the sand in the hourglass, time will pause to wait for no one . . . But, here, we of the Annual Staff have borrowed time to hold memories for you which otherwise would be lost. As we walk together in these pages, let us still remember that time is the force which causes men ever to step forward and without time there would be very little if any possibilities on this earth.

To the Rangers of 1960  
Greenbrier Valley Conference Champions

## Dedication

We, the Seniors of Rainelle High School, wish to dedicate this issue of the Ranger to the mighty Ranger football team and to their coaches, Mr. Jim Hamrick and Mr. Darrell Goddard.

As a result of their many victories they received the Greenbrier Valley Conference Trophy and the Sunbeam Trophy.

We think that this year's team was exceptional and brought honor to its school and community.

Terry Hume, Co-Editor, Gary Carr, Business Manager, Alice Gutshall, Editor, Miss Weber, Adviser, Patty Shinn, Judy Jackson, Lorena Loudermilk, Kitty Williams, Jean Lively, Douglas O'Dell, Kay Wilfong, Barbara Lowe.

## G.A.A. Facts

Rainelle High School's G.A.A., organized by Miss West, has black and white for its colors and for its motto "Always good sports." The constitution was not adopted until 1957.

The requirements for membership and the privilege of earning pins, sweat shirts, and letters are based on the point system. These points are earned by participating in volleyball, basketball, aerial darts, soccer, badminton, square dancing, ping pong, and horse shoe.

## *In Memoriam*

In loving memory of Miss Virginia West, Physical Education instructor at Rainelle High School, whose untimely death on December 12, 1959, left our school stunned and saddened.

Though her presence is gone, the force of her personality still pervades our classrooms, our halls, and every aspect of school life. Not only will her influence long be alive in the hearts and minds of her students and fellow teachers, but also in those of future generations of students.

In her brief and busy career, she was a good and faithful servant. The good she did will live after her.

The slogan which she tacked on her bulletin board sums up her life far better than any words we could write. It reads yet where she placed it:

"If it's difficult,  
We do it immediately;  
If it's impossible,  
It takes a little longer."
