Foreword

We of the Ranger Staff have tried to record on these coming pages---some of the experiences that will soon be memories---If we can preserve some of these experiences---in our Ranger---that have made Rainelle High School your school---then it will have served the purpose for which the class of 1961---sends it to you---the students---with high hope.

Dedication

For the past four years you have been our guiding star-always ready to help us whether it be in Math or Selling Candy.

Because of all your encouragement and aid, we the senior class of '61 are proud to dedicate our RANGER to you Mrs. Ruth Fleshman.
