Dedication

Mrs. Leone Holsberry

The 1966 RANGER is proudly dedicated to a person for whom we have the greatest admiration and respect. As a teacher and friend she has done much to instill in us those qualities which will best suit us for our roles as mature useful adults. As an English teacher her enthusiasm and knowledge have helped us to gain an interesting insight into the area of literature and grammar. English assignments became interesting and literature seemed to come alive. Her abilities are also exhibited in the capable guidance and encouragement in extracurricular activities. We know her as a person whose principles and integrity have served us as a guide in our education and daily life. We proudly and gratefully dedicate the 1966 RANGER to our friend and teacher, MRS. LEONE HOLSBERRY.

Foreword

The sands of time have run out on our high school days here at Rainelle High and we must now turn to the future. This, the 1966 RANGER, marks the end of an important phase of our lives. The scholastic challenges enable us to become better students and to be prepared for a more successful future. Socially our interests were broadened and the many opportunities we encountered have enriched our lives.

Perhaps in the future when you look at this book, it will bring back pleasant memories and thus serve as a connecting link with the past, embodied with pleasure and fond memories.

To you, the students and faculty of 1966, we, the Ranger Staff, offer this yearbook as a record of a year in words and pictures -- the classes, the clubs, the activities -- the work, the fun, the people -- all of which make up "THAT WONDERFUL YEAR".

To one of the nicest boys &
best students I have. It has
been a pleasure to have you in class

Best Wish
A.X.X.

Hours of preparation and practice resulted in winning first place Corp Routine by the majorettes at the Band Festival.

"Goofing off" and fun go along with practice, but as time drew near, the members perform in earnest to make the year 1966 the biggest and best yet.

Biology and Chemistry, taught by Mr. Anderson and Mrs. Wickline, hold a special place in the hearts of those who love to dissect worms and frogs. The classifications of plants and animals give a headache to quite a few. We are fascinated at the many experiments in Chemistry.

Among the favorite classes are Typing, Shorthand, Bookkeeping and Shop taught by Mrs. Workman and Mr. Shawver. We are overjoyed at no homework in Typing and Shop. We work for speed, dreading carbon copies and experiment with the electric typewriter. We try to keep up with dictation and make those numbers check. Shop students do much to keep up and beautify our school as well as build equipment for other schools.

OCTOBER

Homecoming was sponsored by Hi-Y and Tri-Hi-Y Clubs. Directed by Homecoming Chairman, Connie Yearego, the members tried to make it the best. Linda Lively was elected Homecoming Queen by the students and classes

elected Patty Collins, Lana McMann, Fern Forbes and Jane Rider as Attendants.

We were assisted by Police Departments and East Rainelle Volunteer Fire Department with F.H.A. Club, 4-H Clubs, Ranger Junior Band, Ranger Senior Band, Freshman, Sophomore, Junior, Senior Classes, King Coal Hotel, Rosalee's Lunch, Boley Chevrolet, Dodson-Hager Ford, Pep Group, Cheerleaders, Ranger Yearbook, Homecoming Royalty, Hi-Y, Tri-Hi-Y Clubs, and Miss '64 Ranger participating in the Homecoming Parade led by Ranger Marching Band.
